## Stars and Strips Forever

17" x 33"

© 2017 Donna Lynn Thomas  
Fabric and Supply List

Learn how to make this patriotic banner for your favorite service member or to honor them all. This quilt also makes up nicely in other colors. Learn Donna's folded corners technique to make the striped rectangles that compose the block. The class project is small and low cost meaning you can sample the technique without being left with another large UFO. All day. Intermediate. Sewing machine and rotary equipment required.

### **Fabric Requirements:**

3/8 yard small star print for block piecing and outer border  
3/8 yard white print for block piecing and second border  
1/4 yard red print for block piecing and first border  
1/4 yard medium blue print for block piecing  
1 fat quarter big star print for fussy cutting block center (optional-  
you use a different print altogether)  
1/4 yard blue print for binding  
5/8 yard backing

### **Pre-Cutting for Class:**

#### **From the small star print, cut:**

1 strip, 2 1/2" x 42", crosscut into 12 squares, 2 1/2" x 2 1/2"

#### **From the big star print, cut:**

3 squares, 4 1/2" x 4 1/2", fussy cut so the stars are in the center of the squares

#### **From the white print, cut:**

3 strips, 2 1/2" x 42", crosscut into 24 rectangles, 2 1/2' x 4"
